*First announcement*

## **ScanBalt Forum**

*ScanBalt welcomes you to the 2 ScanBalt Forum 8-10 May in Gdansk, Poland. The ScanBalt Forum is organised by the ScanBalt organisation.*

*The aim of ScanBalt Forum is to create a common biotech platform for research, education and innovation in the ScanBalt Region and a unique regional forum for borderless biotech networking and collaborations.*

*ScanBalt Forum is a two-day conference for all players from universities, industry, hospitals, public institutions and other important actors within the life science arena in the ScanBalt BioRegion. ScanBalt Forum will present a wide range of topics, all related to biotechnological development including cultural, economic, social and legislative aspects as well as generating consortia for future Nordic-Baltic and European collaborations.*

## **The ScanBalt Region**

*ScanBalt BioRegion encompasses 11 countries - the Nordic countries, the Baltic countries, North Germany, Poland, the St. Petersburg area and Kaliningrad - 85 million people, 60 universities and 870 biotech-related companies.*

## **ScanBalt organisation**

*ScanBalt is a network of networks representing a number of regional networks between universities, industry, hospitals, public institutions and other important actors within the life science arena in the ScanBalt BioRegion.*

*The ScanBalt organisation will promote the development of ScanBalt BioRegion as a globally competitive meta-bioregion by:*

- *Promoting knowledge formation, education and research*
- *Promoting economic and environmental development*
- *Creating a forum for biotechnological discussions*
